**Subject:** Energy News Ticker: Energy Intensity Decline in Government Buildings Beats Out Commercial Sector

## **Energy Intensity Decline in Government Buildings Beats Out Commercial Sector**

9/16/16 1:36 PM

Commercial buildings owned by government agencies have significantly decreased their energy use in the past few years, beating out the commercial sector in declines, according to data released Friday by the U.S. Energy Information Administration.

## **The Coming Week: Planned Parenthood Is the Sticking Point**

9/16/16 3:31 PM

The only barrier standing between senators and a pre-election recess involves Planned Parenthood. Senate negotiators have thus far failed to reach a deal on funding for the Zika virus that is meant to be included in a continuing resolution to fund the government past Sept. 30.

## **EPA Paper: Glyphosate Not Likely Carcinogenic**

9/16/16 2:39 PM

The Environmental Protection Agency released a paper on Friday indicating the widely used herbicide glyphosate is not likely to cause cancer, conflicting with a controversial report by the International Agency for Research on Cancer.

## **Sierra Club Unveils Voter Guide for Climate Change Voters**

9/16/16 2:28 PM

The Sierra Club on Friday launched an online guide intended to inform voters on presidential and congressional candidates' stance on climate change and promote Sierra Club endorsements.

## **Energy Investment Ends Week Down**

9/16/16 4:19 PM

Energy investment on Friday ended the week down, with U.S. investment slipping 0.66 percent as of 3:40 p.m.

## **Johnson, Stein Out of First Debate, Commission Announces**

9/16/16 3:16 PM

The Commission on Presidential Debates on Friday made it official: Gary Johnson and Jill Stein will not be on the stage with Republican Donald Trump and Democrat Hillary Clinton for the first debate later this month.

## **Congressional Black Caucus Slams Trump Over Birther Comments**

9/16/16 2:04 PM

Members of the Congressional Black Caucus on Friday slammed Republican presidential candidate Donald Trump's dabbling in conspiracies about President Obama's birthplace, with Rep. Barbara Lee (D-Calif.) declaring the November election a "referendum on bigotry."

# Trump Acknowledges Obama's Citizenship, but Not His Own Birther History

9/16/16 11:57 AM

Republican presidential candidate Donald Trump on Friday, for the first time, acknowledged the fact that President Obama was born in the U.S.
